

INTEGRITY SILESTONE

FREGADERO/SINK ONE

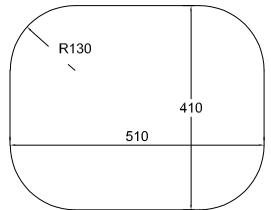

Mecanizado de válvula/Drain valve

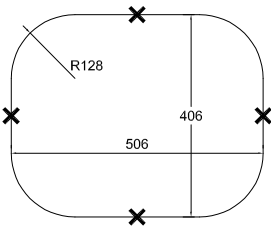

Planta/Top view:

Medida de hueco para integración/
Cut out for mitered installation

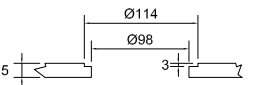

Medida de hueco pulido para colocación bajo encimera/
Polished cut out for undermount installation

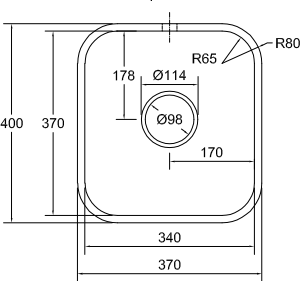

FREGADERO/SINK DUE S

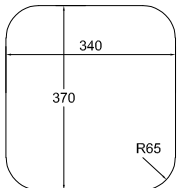

Mecanizado de válvula/Drain valve

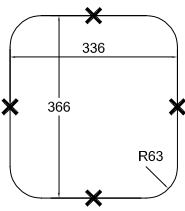

Planta/Top view:

Medida de hueco para integración/
Cut out for mitered installation

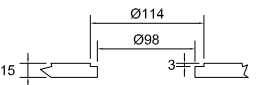

Medida de hueco pulido para colocación bajo encimera/
Polished cut out for undermount installation

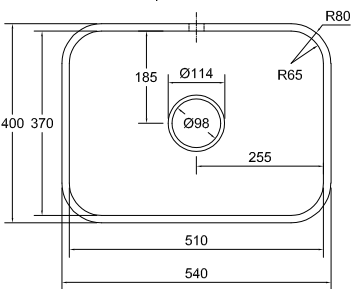

FREGADERO/SINK DUE L

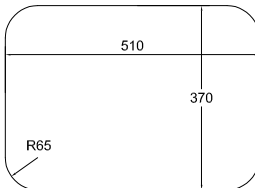

Mecanizado de válvula/Drain valve

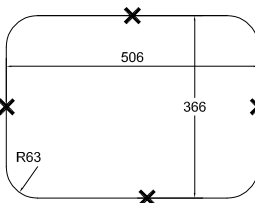

Planta/Top view:

Medida de hueco para integración/
Cut out for mitered installation

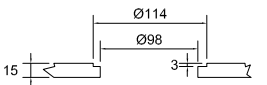

Medida de hueco pulido para colocación bajo encimera/
Polished cut out for undermount installation

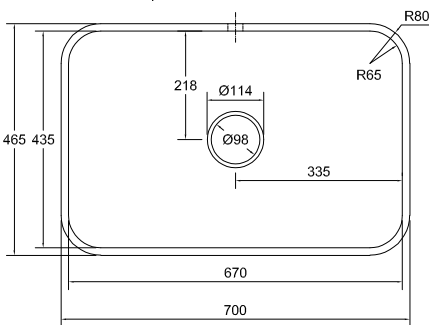

FREGADERO/SINK DUE XL

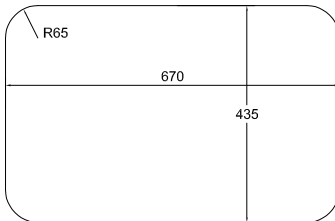

Mecanizado de válvula/Drain valve

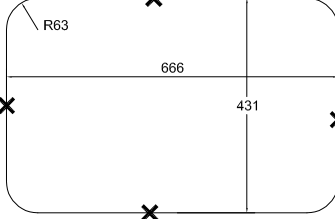

Planta/Top view:

Medida de hueco para integración/
Cut out for mitered installation

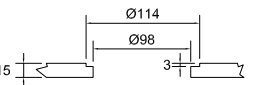

Medida de hueco pulido para colocación bajo encimera/
Polished cut out for undermount installation

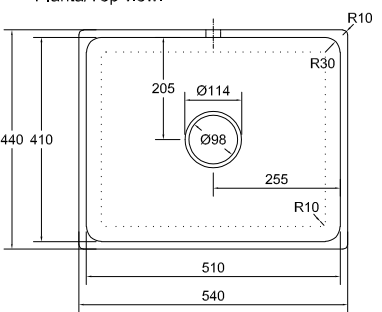

FREGADERO/SINK Q

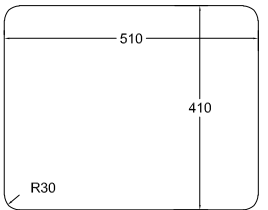

Mecanizado de válvula/Drain valve

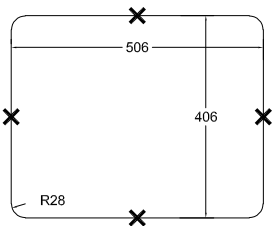

Planta/Top view:

Medida de hueco para integración/
Cut out for mitered installation

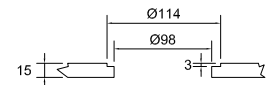

Medida de hueco pulido para colocación bajo encimera/
Polished cut out for undermount installation

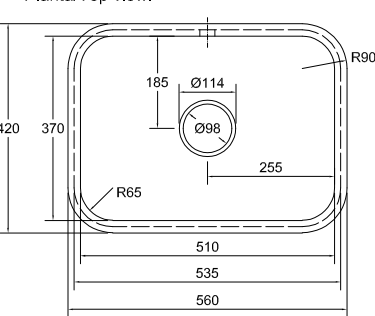

FREGADERO/SINK DUE TOP

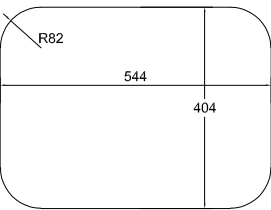

Mecanizado de válvula/Drain valve

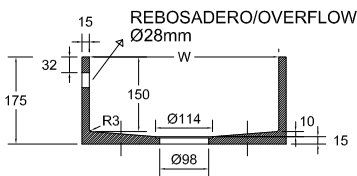

Planta/Top view:

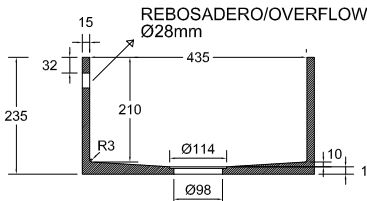

Medida de hueco para encastre/
Cut out for embedded installation
